## I) Bhartiya Dhaba

Mahendra Pratap Sharda Prasad Singh College motivates students for this competition, which is one of our best innovations.

Mahendra Pratap College organized the Bhartiya Dhaba event, where students enjoyed a food festival designed to boost their entrepreneurial skills and practice accounting basics. It was a chance for students to explore the business world, interact with customers, and improve their communication. They also learned about profit and loss, which is important for future business ventures. The event wasn't just about food—it was a group activity that encouraged leadership and teamwork, helping students grow beyond their studies.

## **J) Readers and Writers Club**

Mahendra Pratap Sharada Prasad Singh College motivates students to engage in reading and writing activities by creating a Readers and Writers Club. The main goal of this club is to enhance students' writing abilities, improve their reading skills, and expand their vocabulary. By enrolling students in the club, we aim to support their overall personality development. Through various activities and sessions, students have shown significant improvement. The outcomes are evident as students perform well in their examinations and exhibit improved writing. The college has established a club dedicated to fostering a love for reading and writing among students. This creates a structured environment for students to develop these essential skills. The primary objectives of the club is to help students become better writers by providing opportunities to practice and receive feedback. Encouraging students to read more, which in turn helps with comprehension and analytical thinking. Through reading and writing activities, students are exposed to new words, enhancing their language skills. Students are enrolled in the club where they participate in various sessions. These sessions might include workshops, reading circles, writing competitions, and peer reviews. Such activities contribute to their overall personality development by building confidence, critical thinking, and communication skills. The impact of these efforts is visible in the improved academic performance of the students. They perform better in their examinations and show significant improvement in their writing capabilities.
